Origin: Sire, World Young Horse Champion Sandro Hit and dam-sire Grand Prix stallion Rohdiamant need little introduction to dressage breeders. Sondheim offers a concentrated bloodline for dressage excellence. Great granddam, A.Melancholie by Matador is a former Fop Filly at the 17th VFoA'82/22 who founded a special Oldenburg family in the Netherlands. Full brother, Modekonig is a licensed stallion.

Performance Record: Shown by Johannes Westendarp, Sondheim OLD won his 5 Year-Old Bundeschampionate Qualifier with the third highest score in Germany and was the recipient of the 'Detroit Prize' at the 75th Elite Auction. It has been said that Sondheim OLD looked like a mirror image of his grandfather Rohdiamant at the same age of 4 yrs. Sondheim qualified for the 6 Year-Old Bundechnampionate Finals with an outstanding score of 8.6. He completed his 30-Day test Schlieckau with an impressive 9 for Character, 8.5 for Constitution and 8.5 for walk. In 2012, Sondheim became the USDF/GAIG Grand Champion Stallion with an impressive score of 84.395%.
